main page:

Notes are with red

order  
by  
date  
only  
when  
unchecked

The main page layout is enclosed in a large rounded rectangle. At the top, there is a header bar with a yellow background. On the left of the header is a circle containing the word "Logo". To its right is a large rectangular box containing the word "Title". Below the header, there is a list of three to-do items, each in a rounded rectangle. Each item contains a "Date" field, a checkbox, and a "Name of To-Do" field. The first item has an unchecked checkbox and is annotated with "unticked at the top". The second item has a checked checkbox and is annotated with "ticked to the bottom". The third item also has a checked checkbox. To the right of each item are two buttons: a "Delete" button with a trash icon and an "Edit" button with a pencil icon. A red arrow points from the "Delete" button of the first item to the text "Delete-Button". Another red arrow points from the "Edit" button of the first item to the text "Edit-Button". A blue line connects the "unticked at the top" note to the "input line" section below.

input line

The input line is a horizontal bar with a yellow background. It contains three main components: a "Date" field, a "Text-Area" for the to-do description, and an "add" button.

A large, rounded rectangular container, likely for an image or other media. It contains the text "Image/etc." written in a large, cursive font.
